true; He the faith - ful God & true.

This song spoke to me right away with the lines, “Thou shalt not go down, but through” and “For His promise shall sustain us, Praise the LORD, Whose word is true!” The Lord has shown me that there is no way over or under so many things we simply have to face in life, but He brings us straight through them with the strength of His Word and His promise. How sweet! My own way would be to change the circumstances or even the people around me, but the Lord wants to change me as He brings me through it. There’s no way out but through.

2. When thou comest to the waters,
Thou shalt not go down, but through.
They shall never overflow us,
For we know His word is true;
All His waves & all His billows
He will lead us safely through.

3. Seas of sorrow, seas of trial,
Bitterest anguish, fiercest pain,
Rolling surges of temptation,
Sweeping over heart & brain,
We shall not go down or under,
He hath said, "Thou passest through."

4. Threatening breakers of destruction,
Doubt's insidious undertow,
Shall not sink us, shall not drag us
Out to ocean depths of woe;
For His promise shall sustain us,
Praise the LORD, Whose word is true!
