

Words & Deeds: Mid-18th to Early 19th Century Highlights of Those Who Have Faithfully Gone Before Us

Course Description:

The church history class for this year of the Sweet Savor Bible School will highlight a number of the servants of the Lord from the mid-18th century to the early 19th century, spanning both the fall and spring semesters of the 2023-2024 school year.

These spiritual men have each contributed to the growth and maturity of the Kingdom of God while serving the people of their age in both - Words & Deeds. This particular fruitful time of church history was brought upon by the spiritual awakening and revivals from the late 17th and early 18th centuries before; by having the Word of God opened freshly to the saints and applied practically in many of the Lord's churches around the world; this time period saw revivals among the believers, many sinners added to the Body of Christ, missions and missionaries operating both at home and abroad, as well as the light and life supply of truth in the scriptures opened objectively and applied subjectively, in newness of Spirit and life, throughout the world and among many of the Lord's children.

This century of church history included an incredible wave of faithful and consecrated bible teachers, evangelists, missionaries, and many other gifted members who operated among believers and unbelievers alike; resulting in many blessed lives that were offered up and spent; surely that were pleasing to the Lord and are now wonderful patterns for us to look at and consider today.
