

Greek Bible Study with The Aid of Bible Study Tools

Day and Time: Mondays 9:00-10:10 PM ET

Teacher: Steven Chu

Small group leaders: Jack Parrino, Ping Chen, Isaac Wu, Yenchih Lin, Peter Young

Class Size: No limit

This class includes how to read the Greek Bible, how to do keyword studies with Greek lexicons and theological dictionaries, and how to conduct verse and chapter studies with Greek grammar, syntax, and key commentaries.

We will learn how to pronounce and read aloud the Greek Bible in an efficient way, and will study Colossians 1.9-29 and Isaiah 53 with the resources in Bible Hub.

Our focus study scripture in this semester:

1. New Testament Greek: Colossians 1.9-29
2. Old Testament Greek (Septuagint): Isaiah 53

*We will put all students in small groups for group assignments and group presentations.

*Lecture in class: 35 minutes.

*Group time in class: 35 minutes.

*If you will miss a certain class, please tell your group leaders before the class and make up the class content by watching the class video.
